

WELCOME TO ATMOS

Our drinks list has been designed to celebrate Greek culture, perfectly paired with food to share with family and friends.

The wine list showcases Greek wines ranging from the far north, central Greece, the islands and down to the Peloponnese. These are complimented by European and international varietals, as well as a celebration of our local Hunter Valley vineyards.

The unique cocktail list is creatively curated to showcase the traditional flavours of Greece.

Yia Mas!

ATMOS CORAVIN

A wine preservation system which uses a hollow needle to inject argon gas into the bottle and pour wine through the needle. When the needle is removed the cork is resealed protecting the wine from oxidation and leaving the remaining wine unaffected.
